

Home Challenges

This term our topic is called 'Dinosaurs and Volcanoes.' Here are your home learning activities. Please select 1 activity each week, recording any written work in your home learning book. Feel free to pick whichever ones you would most like to do!

 <p>Create a poster about your favourite dinosaur or volcano.</p>	 <p>Make a collage of a dinosaur or volcano, using different textures. Explain your choices of texture to the class.</p>	 <p>Use google to find information about dinosaurs or volcanoes.</p>	 <p>Can you invent a ball game? Remember to think about the rules and instructions to play your game.</p>
 <p>Count forwards and backwards to 100 and beyond.</p>	 <p>Make your own dinosaur or volcano. You can use any materials. How creative can you be?</p>	 <p>Locate volcanoes on a map of the world. Can you label continents, countries or oceans?</p>	 <p>Make a percussion instrument.</p>
 <p>Find a poem you like and recite it to your class.</p>	 <p>Draw and label your favourite animal. Is it a carnivore, herbivore or omnivore?</p>	 <p>Find out when dinosaurs were alive. Make a timeline.</p>	 <p>Find out how Easter is celebrated around the world.</p>
