

Motcombe Infant School Sports Funding Report 16/17

What is the Sports Premium?

Schools with primary-age pupils receive the PE and sport premium in the academic year 2016 and 2017. The money must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2016 to 2017 academic year, to encourage the development of healthy, active lifestyles. Information on how much PE and sport premium funding primary schools receive and advice on how to spend it has been published

Purpose of the funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Our Objectives

At Motcombe, we recognise the contribution of PE to the health and well-being of the children. We believe that a varied PE curriculum has a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School Sport's Funding will enable us to continue and extend our provision. We will also use the funding to train our staff to deliver improved PE sessions.

Funding 2015/16

Balance carry forward to April 2016 £2101

May 5/12 allocation 2016 £3898

October 7/12 allocation 2016 - to be added when known

Strengths identified

- PE Subject Leader is experienced (she is on maternity leave until Term 6 2017)
- Vision for PE is secure (See PE Policy)
- Youth Sports Trust self-evaluation tool demonstrates that all 9 of the objectives are either established or embedded
- Staff view PE, activity and healthy lifestyle as central to school.
- Pupils are engaged and motivated in PE and healthy activities.
-

Areas of Development

- Staff have a wide range of experiences and expertise but overall wish to further develop their confidence in teaching PE.
- We have 5 NQTs commencing their induction year in September and we will use some of the funding to support them with PE CPD opportunities.
- The PE Subject Leader is now on maternity leave; returning in Term 6. A programme of CPD had already commenced with her undertaking demonstration lessons, team teaching and lesson observations and she will continue with this programme when she returns to school.
- The school has received a Health Grant and plan to use this to deliver CPD for teachers relating to health and fitness including additional sports provision in Y1 and this will support staff until the PE Subject Leader returns. An interim Subject leader has been appointed.

The school has decided to spend the money in the following way:

- To employ our PE coordinator to work alongside a skilled PE teacher in order to strengthen teaching and learning in this subject across the school
- To support and engage the least active children in physical activities
- To pay for professional development opportunities for teachers in PE and sport
- To increase pupils' participation in the sports and physical activities
- To improve resources to support development of the subject
