

## Motcombe Infant School Sports Funding Report 2018 - 2019

### What is the Sports Premium?

Schools with primary-age pupils receive the PE and sport premium in the academic year 2018 to 2019. The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2018 to 2019 academic year, to encourage the development of healthy, active lifestyles. Information on how much PE and sport premium funding primary schools receive and advice on how to spend it has been published

### Purpose of the funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

### Our Objectives

At Motcombe, we recognise the contribution of PE to the health and well-being of the children. We believe that a varied PE curriculum has a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School Sport's Funding will enable us to continue and extend our provision. We will also use the funding to train our staff to deliver improved PE sessions.
