## **Equal Opportunities**

At Motcombe we believe that all children, regardless of first language, disability, race, gender, cultural or socio-economic background, should receive equal access to the full school curriculum.

## **Disability Statement**

Motcombe is proud to be an inclusive school. We are able to offer access to the full curriculum for all children.

We have easy access into the main part of both buildings and have accessible toilet facilities.

As with any additional needs the school works closely with parents and appropriate outside agencies.

## **INTRODUCTION**

At Motcombe we firmly believe that the best way to encourage high standards of behaviour in school is a clear code of conduct backed by a fair and agreed system of rewards and sanctions.

Our whole school Behaviour Policy uses our values and use of simple language to ensure a consistent approach to managing behaviour and makes this an inclusive school. The approach helps Motcombe to create a listening culture and a safe environment through which high self-esteem; self-discipline and positive relationships can flourish.

We have agreed principles, values and strategies to help us achieve each aim of our Behaviour Policy.

Our agreed aims are:

- to ensure consistency of approach and provide a clear framework for behaviour
- for children to be responsible for their own behaviour
- positive Home/School partnerships
- to provide clear procedures for making referrals to external agencies

Inappropriate behaviour outside of school that had a negative impact on children's wellbeing will be addressed in line with the schools Behaviour Principles.
