Governor Vacancies - Governors are a vital part of our school team and we currently have a vacancy for a Parent Governor to represent parents on our friendly governing board.

Any parent of a child at Motcombe School can be nominated as a Parent Governor regardless of how long their child has attended the school and previous experience is not necessary, so if you are willing to give a few hours a month to attend meetings and undertake (free) training we would love to hear from you.

Becoming a governor is a commitment, usually for a term of four years, but also very rewarding and a unique opportunity to learn and develop new skills.

If you would be interested in supporting the school and the parent community at Motcombe by volunteering to be a Parent Governor please collect details and a nomination form from the school office, or email govsclerk@motcombe.e-sussex.sch for more information.

The closing date for nominations is Monday 18 October 2021
